Winter 2008

Volunteer Newsletter

Welcome to the **first** newsletter of the OSU McDonald-Dunn College Forests volunteer and recreation program.

This seasonal newsletter serves as a bridge between the recreation staff and forest users, regarding an abundance of news, upcoming volunteer dates, and any other updates you may be interested in.

2007 Review

The 2007 volunteer year was a great success with over **650** volunteer hours logged. **THANK YOU!**

McDonald Forest would like to thank all of the trail patrol and trail maintenance volunteers, Corvallis Youth Volunteer Corps, and Leadership Corvallis participants, along with all those who came out on our volunteer days. Your hard work is appreciated not only by the forest, but by all who use the trails.

We completed work on Upper Horse trail and sections of Calloway and Intensive trails.

We are looking to build the volunteer program and increase our numbers during 2008

We look forward to seeing you later in the year!

Giving Back

2008 is full of volunteer opportunities that any outdoor enthusiast would find to be both enjoyable and rewarding.

Already in the forest regularly?

Find your volunteer niche in our crew of trail patrol volunteers.
