

Smile and say “Woof!”

We love dogs at the OSU Research Forests, and we want to show others how much your dogs love our trails! Snap some pictures of your pooch out in the woods, and send them our way!

Forest visitor and volunteer Kay Yates takes in the views with her pup.

Send us photos of your dog enjoying the forest. Photo guidelines:

- Must be taken on an authorized area of the forest (official trail, parking area, etc.)
- Once we receive the picture, we may display it on our website, Facebook, at events, and through other forms of public outreach. All photos will be displayed at [Poocha-Paw-Looza](#) on June 4th.
- Please include the photographer’s name so we can credit him/her. Let us know where the photo was taken.

Email photos to Lucia at hadellal@oregonstate.edu from now until May 26th.
