Catch A Fish!

Have you ever held a FISH before? If you join us next year for Get Outdoors Day we can teach you how to fish in Cronemiller Pond.

The children in the photo are holding rainbow trout that they caught at our Get Outdoors Day event.

Rainbow trout are a common type of fish in Oregon. Can you see why they have the word RAINBOW in their name? Their scales are shiny and colorful.
WHICH LINE WOULD YOU PULL IN TO CATCH THE FISH?
