

# Nature near me?

# Nature is everywhere!

You don't have to travel far to explore the natural world. Nature can be the tree right outside your window or a forest of trees at the end of your street.

There are lots of parks and natural areas just for you! What parks do you love visiting with your family? Draw a picture of your favorite place to visit.

A large, empty rectangular box with a dark green border, intended for the user to draw their favorite outdoor place to visit.
