draw your own WILDLIFE HABITAT

Oregon State University
Extension Service
Benton County

Pick an animal and create your own habitat for it.
Draw it here and label things your animal would use for:
food | water | shelter | nest site | place to raise young

Wildlife you might find near your neighborhood:

Deer	Squirrel	Garter Snake	Newt or Salamander	Fox
Raccoon	Bobcat	Insects	Coyote	Field Mouse

Look for these habitat components:

Food		Water	Shelter	Place to Raise Young	
Insects	Reptiles		Brush Pile	Twigs	
Berries	Nectar	Dew	Shrubs	Grass	Spider Web
Seeds	Acorns	Stream	Tree	Moss	Wood Chips
Snails	Small Mammals	River	Snags	Lichen	Bark
Worms	Grasses	Lake	Tree Cavities	Mud	Roots
Spiders	Leaves	Puddles	Cliffs	Fur	Leaves
Amphibians	Fish	Pond	Rock Pile	Feathers	
Slugs	Snails		Ground Holes
